Subject: [EXT] Grid Iron BLI Federal #3 2RP-5137

Gentlemen,

On Tuesday, January 22, 2019, I will be conducting final confirmation sampling at the Grid Iron BLI Federal #3. There are 2 areas that we will be excavating an additional 1' from, then I will be collecting the final confirmation samples. I anticipate the excavation activities to be completed by 1:00 p.m. and sampling will occur after that.

Thank you,

Chase
