RE: COG * King Tut Federal 1H * 2RP-5010 * DOR: 10/4/2018

All,

This proposal for remediation of the above referenced release is approved. It is OCD's understanding that since the release impacted an area off pad, the top 4' of impacted material will be removed and replaced with clean material.

If you have any questions or concerns, please contact me.

Thank you,

Mike Bratcher

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
