Subject: Lining and backfill activities for 1RP-4233 (EVGSAU 3366-029)

Ms. Hernandez and Mr. Mann,

We have completed the initial excavation of 3366-029 (1RP-4233) and received all of the final laboratory data. We are hoping to complete the final activities of lining the bottom of the excavation, as outlined in the approved work plan, and backfill activities beginning on Thursday, February 21st. Please let me know if you have any questions.

Thanks!
