OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Good Afternoon,

This is sent to inquire whether you had received our initial C-141 submittal on 12/13/18 for the referenced event (below), and to ask also if we had been assigned a 2RP number as we have no email record of receipt and there is not yet a C-141 posted online. Please contact us any time by phone or email. Thank you.

Respectfully,

Amy C. Ruth

Subject: Release notification - Remuda South 25 State 123H (API 30-015-44389)

Good Afternoon,

This is sent as notification of a small fire accompanied by a light mist of fluid discovered this morning at the referenced facility. The source of the release was stopped and the fire was extinguished. There were no free standing fluids to recover. Details will be provided with a form C-141. Please call with any questions or concerns. Thank you.
