RE: [EXT] (Resubmittal) Burch Keely Unit Satellite G (11-12-18) 2RP 5052 - Deferment Request

Ms. Haskell,

The OCD tracking number for Burch Keely Unit Satellite G (11-12-18) is <u>2RP-5062</u> (see attached Initial C-141). To continue processing your Closure Request, please correct the 2RP number and resubmit the document. Regards,

Victoria Venegas EMNRD OCD-District II 811 S First St. Artesia NM 88210 Victoria.Venegas@state.nm.us OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
