**Subject:** [EXT] (Extension Request) Carmen 3 Federal Com #001H Battery 1/7/19 (30-015-39286)

Mr. Bratcher,

Under the new spill rule a work plan or closure report is due for the above release on 4/7/19. COG is currently conducting remediation at risk at this release location and is waiting on an alternative sampling plan response. COG is requesting a three month extension until July 5, 2019 in order to complete remediation activities and prepare a closure report.

Thank You,
