OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Subject: [EXT] 2RP-4657 - Avalon Compressor Station - Remediation Summary and Closure Report

Please find attached the *Remediation Summary and Closure Report* along with the applicable pages from the Form C-141 that have been prepared for ETC's Avalon Compressor Station (2RP-4657). The release site is located in unit letter "L", Section 20, Township 26 South, Range 28 East on Land Administered by the State Land Office. If you have any questions or need any additional information, please feel free to contact Dean Ericson or myself by phone or email. Thanks.

Respectfully,

Joel Lowry
