Ashley,

In reviewing your closure request, the BLM is in agreement that the site can be closed with no further action needed. Looks good. Thanks

[EXT] Closure Report - Big Eddy Unit DI2 323H (2RP-5295)

Ms. Ager,

OCD has received your final C-141 and closure request for Big Eddy Unit DI2 323H (**2RP-5295**), thank you. This closure is approved. Federal sites will require like approval from BLM.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
