OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

**Subject:** Containment Inspection - Remuda 500 Battery (30-015-30-015-44310 Nearby - Remuda N 25 St 124H) release 5-30-19

Good Morning,

This is sent as 48-hour notification that we are scheduled to inspect this lined containment on Wednesday 6/12/2019 at 10 am MST. An immediate release notification was not previously emailed for this event (5/30/2019) as this release was not greater than 25 barrels in volume. The release occurred in battery containment on the well pad referenced by the GPS coordinates below. Please call us with any questions or concerns. Thank you.
