To whom it may concern,

This spill was not of a reportable quantity. I am asking for closure of this spill based on that fact. I am attaching some pictures of the liner showing that it is in tact and the spill was cleaned up. Thank you for your consideration.

Thank you,

Amy Barnhill

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
