This is sent as 48-hour notification that we are scheduled to inspect this containment on Friday 6/21/2019 at 9:30 am MST. An immediate release notification was not previously emailed for this event (6/7/2019) as this release was not greater than 25 barrels in volume. The release occurred within temporary lined containment on the well pad. Please call us with any questions or concerns. Thank you.

Respectfully,
