OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Subject: Containment Inspection - Corral Canyon Fed Com 006H (30-015-42925) release 6-7-19

Good Morning,

This is sent as 48-hour notification that we are scheduled to inspect this containment on Friday 6/21/2019 at 9:30 am MST. An immediate release notification was not previously emailed for this event (6/7/2019) as this release was not greater than 25 barrels in volume. The release occurred within temporary lined containment on the well pad. Please call us with any questions or concerns. Thank you.

Respectfully,

Amy C. Ruth
