OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Subject: Marathon Oil Company - 24 hour notice - Southern Comfort 25 35 State X 1H/2H

Good morning,

Yesterday at approximately 1:30 pm, the Operator reported the water line going from the heater treater to the tanks had a leak. Approximately 240 bbls of produced water was released and contained in lined containment. A vac truck recovered all fluids.

A C141 will be submitted shortly.

Thank you,

Callie Karrigan
