Victoria,

Would you please reply to Mr. Gant's question below. ☺ Thank you.

Mr. Gant, I only process initial C-141's for our Environmental team. I am directing your question to Mrs. Venegas.

Thanks,

Amalia,

I double-checked my surface ownership map and it is currently indicating that the location referenced in this Julie #1 C-141 is still privately owned by the Howell Ranch. Could you please confirm that this section is federally owned or not? If this is true, I have some bad news for Mrs. Howell.

Thanks

Michael Gant
