RE: Initial C-141 Report - C-1 Pipeline (Enterprise Field Services, LLC)

All,
The OCD tracking number for this release event is **2RP-5529**. I apologize for the earlier confusion on this one.
Thank you,

Victoria Venegas
EMNRD
OCD-District II
811 S First St. Artesia
NM 88210
Victoria.Venegas@state.nm.us

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

RE: Enterprise Field Services LLC * C-1 Pipeline * DOR:5/28/2019

Good Afternoon,

SMA will be onsite to remediate the above listed release for the next couple of days. We expect to collect our closure samples on July 4th. Please consider this email our 48 hour notification.

The C-141 was submitted on June 7th, but I can't locate it in the imaging files online. Can you please provide the RP # for our records.

Have a wonderful Fourth of July!
Thank you,

Heather Patterson

Subject: Initial C-141 Report - C-1 Pipeline (Enterprise Field Services, LLC)

Good afternoon,

Please find the attached initial section of the C-141 form. This event involved 0.05 MCF of natural gas and 0.5 bbl of pipeline liquids and a controlled release of 107.7 MCF of natural gas to facilitate repair of the pipeline

If you have questions or require additional information, please contact Alena Miro at (575) 628-6802 or by email at ammiro@eprod.com.

Thank you,

Michelle Piech
