Katie,

The BLM has completed the review of the referenced closure report. Consider this as the approval of the report. No further action is required. Thanks

Good Afternoon,

EOG Resources – Artesia Division respectfully submits the attached closure report. Also attached you will find the NMOCD submission fee receipt. The files are too large to upload through the web portal, so I will be sending them in parts (1-3). The first part is the closure report without the laboratory analyticals. I will not copy BLM on parts 2 and 3 as they have requested a summary table only, which is found in the attached report.

Please let me know if you have any questions.

Sincerely,

Katie Jamison
