**Subject:** Site Sampling Plan - Chevron - Central Vacuum Battery - (1RP-5356)

Amy,

We have received your Site Sampling Plan for **1RP-5356 Central Vacuum Battery**, thank you. This Site Sampling Plan is approved with the following condition:

- Please use a depth to groundwater of 51'-100' (There are two wells in a ½ mile radius with depth to groundwater of 79.27' and 81.4')

This Site Sampling Plan will be accepted and imaged for record. Please load the Remediation Plan to the Payment Portal, when finalized.

Please let me know if you have any further questions.

Thank you,

Robert J Hamlet

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
