Boyd X State Com #15H 30-015-42223_EOG 2RP-5594

Mr. Chase,

The OCD has received your Remediation Plan for Boyd X State Com #15H 30-015-42223_EOG 2RP-5594, thank you. This remediation Plan is denied for the following:

- This Characterization/Remediation Plan is incomplete. The report does not include pages 3, 4 and 5 of form C-141. As you know, these pages will need to be sent in with Characterization and/or Remediation Proposals. **Anytime we receive a Characterization and/or Remediation Plan we will need pages 3, 4 and 5 of the C-141 in with that plan.** Please, resubmit it via OCD's fee portal.
- Appendix 5 does not contain the Field Data/Sample Data but a Sample Diagram. Please include a Table that contains analytical data. We highly appreciate your cooperation in this regards.

Regards,

Victoria Venegas

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
