**RE: WPX Energy Extension Request Longview Federal 1-21H Incident NRM2000356004**

Mr. Raley

OCD approves your requested extension to April 20<sup>th</sup>, 2020 for Longview Federal 1-21H Incident **NRM2000356004**.

Regards,

*Victoria Venegas*  
EMNRD  
OCD-District II  
Artesia NM  
[Victoria.Venegas@state.nm.us](mailto:Victoria.Venegas@state.nm.us)

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

---

**Subject:** [EXT] WPX Energy Extension Request Longview Federal 1-21H Incident NRM2000356004

NMOCD District II Staff,

WPX Energy is requesting an extension of the current deadline of January 29, 2020, for completing a remediation work plan or closure report required in 19.15.29.12.B.(1) NMAC at the Longview Federal 1 #021H (Incident# NRM2000356004). The release was discovered October 31, 2019.

Soil sampling and remediation are complete to the strictest NMOCD standards everywhere but one section of the pad; underneath the pumpjack. We would like additional time to attempt to bring this incident to closure. WPX respectfully asks for an extension till April 20<sup>th</sup>, 2020.
