NVV2002451789 MUY WAYNO RECYCLING FACILITY POND @ 30-015-37700

Mr. Littrell,

The OCD has approved the Deferral Request for incident # NVV2002451789 MUY WAYNO RECYCLING FACILITY POND @ 30-015-37700.

- Residual impacted soil beneath and adjacent to the active production equipment is delineated laterally by delineation soil samples PH01 to the north, PH02 to the south, PH03 to the west, and excavation confirmation samples to the east.
- OCD grants XTO requested permission to backfill the eastern excavation.

The signed C-141 can be found in the online image data base under the incident #.

Thank you,

Victoria Venegas

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
