OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

To Whom it May Concern,

Under the new spill rule a Closure Report is due for the above release on May 14, 2020. COG is requesting a two-month extension until July 14, 2020 in order to prepare, finalize and submit a Closure Report. Please let me know if you have any questions or concerns.

Thank you,

Brittany N. Esparza
