13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recomple in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Marathon Oil Company has completed operations to abandon the South Dagger Draw Upper Penn reservoir in the North Indian Basin Unit No. 22.

Please see details for the well work performed to squeeze the Upper Penn perms.

Reports to follow on drill out to the Morrow and re-complete well in new reservoir.

14. I hereby certify that the foregoing is true and correct.
