(Arcadis) prepared this Site Status Letter (Letter) for the Amoco Federal 11 Well No. 6, API No. 30-015-26496, located in Eddy County, New Mexico. Rockcliff Operating New Mexico LLC (Rockcliff), the previous owner of this well, was notified by the New Mexico Oil Conservation District (NMOCD) of a violation dated December 7, 2017 during an inspection (iTM1734135541) by NMOCD. No response to this violation has been located. The purpose of this letter is to respectfully request a written NMOCD approval for a 12-month extension to address the violation.

## **SITE DESCRIPTION AND BACKGROUND**

The Site is located approximately two (2) miles east of Loving, New Mexico. The site is in Unit B, Section 11, Township 23S, Range 28E, Eddy County, New Mexico, on private land.

On December 7, 2017, during a routine inspection (iTM1734135541) conducted by NMOCD. Staining was observed around the well head and a letter of violation was issued to Rockcliff. No response to this violation has been located.

Chevron acquired the lease for this well in October 2018 and is currently evaluating this well for ongoing production. Work to address this violation will be coordinated with other maintenance work at this well. We are respectfully
