Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

CBS respectfully request rescission of the previously submitted proposal to plug and abandon this well dated 6-8-2010.

CBS intends on rigging up on this well to determine if the well can be restored to commercial use. If so, justification will be presented to the BLM, and the well will be returned to active status. If not a proposal to plug and abandon the well will be submitted by 11-30-2012.
