13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips requests renewal approval of Temporary Abandonment status for the above referenced well. A valid MIT was run on 04/02/04 and is currently on file with your office.

Work is currently on going on the Livingston Ridge Federal # 009, an offset wellbore, and we wish to retain this wellbore (Livingston Ridge Federal # 006) pending the results from Livingston Ridge Federal # 009 for possible recompletion potential in other formations. This evaluation should be completed within the next 12 months.
