Dear Mr. Moorehouse,

Please find a copy of the application to drill for the above captioned well submitted to the New Mexico Oil Conservation Division on June 4, 2012.

Division Order R-111-P (G) (2) requires that operators provide notice to each potash lease holder within a radius of one mile of the proposed well.

Enclosed in the APD is NMOCD's C-102 land plat along with numerous maps showing the surface location of the well.

Please call or email me if you have any questions or concerns.

Yours truly,

Bryan Arrant
