Type of action:       □ Permit ⊠ Closure         Instructions:       Please submit one application (Form C-144 CLEZ) per individual closed-loop system request. For any application request other than for a closed-loop system that only use above ground steel tanks or haul-off bins and propose to implement waster removal for closure, please submit a Form C-144.         Please be advised that approval of this request does not relieve the operator of liability should operations result in pollution of surface water, ground water or the mirronment. Nor does approval relieve the operator of its responsibility to comply with any other applicable governmental authority's rules, regulations or ordinances.         t       Operator:       Devon Energy Production Company, L.P.
