Conditions of Approval

Change of Operator Stanolind NM LLC

The referenced well is not producing in paying quantities.

43 CFR 3162.3-4 (c) requires that wells incapable of production in paying quantities be promptly plugged and abandoned and requires approval for any well temporarily abandoned for more than 30 days.

43 CFR 3162.3-4

è

(c) No well may be temporarily abandoned for more than 30 days without the prior approval of the authorized officer. The authorized officer may authorize a delay in the permanent abandonment of a well for a period of 12 months. When justified by the operator, the authorized officer may authorize additional delays, no one of which may exceed an additional 12 months. Upon the removal of drilling or producing equipment from the site of a well which is to be permanently abandoned, the surface of the lands disturbed in connection with the conduct of operations shall be reclaimed in accordance with a plan first approved or prescribed by the authorized officer.

Therefore you are ordered to do the following:

Submit notice of intent to plug and abandon this well.

For monitoring and tracking purposes, please submit appropriate paperwork to this office attention: Jerry Blakley.

If you have any questions, contact Jerry Blakley at (575) 234-5994.
