Dear Mr. Dade,

It was a pleasure speaking with you this afternoon. I very much appreciate you taking the time to briefly walk me through the OCD website and Form C-103. It was such a pleasant surprise to be able to speak to a knowledgeable person without the need of working through a labyrinth of voicemails and emails.

Enclosed for your consideration is the completed Form C-103 giving notice of intention to perform remedial work on the Wadi Petroleum, Inc. Carlsbad 13-1 well. If for some reason, I failed to complete this form correctly, please do not hesitate to call me at (361) 888-7978.

Yours truly,

A handwritten signature in black ink that reads "Ed Riddle". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
