RE: Notice of Violation(s)  
Southern Federal #5/API #30-015-05809

Dear Mr. DeLong:

Enclosed is original letter received today from NMOCD, dated August 3, 2005, regarding numerous violations concerning your Southern Federal #5 well.

As all parties concerned know and are aware of, at this point, I have nothing to do with this well or this lease concerning actual operations or its production.

I own no interests and receive no revenues.

You and your family own 100% of the Operations and receive all production revenues.

I am Operator of Record only, due simply to the fact that you have refused to obtain your own plugging bonds, as agreed.

You have also continually refused to reimburse me, year after year, the costs and expense of the \$1,350.00 per year federal blanket plugging bonds necessary to cover your wells.

Please correct all violations immediately as Corrective Actions are due by September 6, 2005.

Truly,

Jim Pierce

Encl.
