Ladies and Gentlemen:

Well Name: Owl Draw 22 BO Fed Com 1H Location: 330'N & 1650'E Sec. 22, T. 26 S., R. 27 E  
APD Approved: Aug. 5, 2013 APD Expired: Aug. 5, 2015

Your Application for Permit to Drill (APD) for the above referenced well has expired because drilling has not commenced within two years of the approval date as stated in Onshore Order #1.

If a well has not been spud, but site construction activities have occurred please contact Jim Amos at (575) 234-5909 for surface reclamation instructions. If drilling operations have commenced on a well send all necessary reports (spud, casing/cementing, etc., 1 original and 3 copies for each well) to the BLM, so we may correct our records.

If you wish to drill this well at a later date, please submit a complete application (1 original and 3 copies) to this office. Since the original APD has expired, the resubmitted APD will be subject to all the processing requirements including the 30-day posting requirement. Please note on the resubmitted APD that was previously approved and we will review the expired file for information which will help expedite the processing.

Sincerely,

*J.D. Whitlock Jr.*
