RECEIVED

Ladies and Gentlemen:

Your Application for Permit to Drill (APD) for the well listed below has expired because drilling has not commenced per Onshore Order #1:

<u>LEASE SERIAL NO.</u>	<u>WELL NAME AND LOCATION</u>	<u>EXPIRATION</u>
NMNM030752	WAR HORSE FED COM_1H 350' FNL & 175' FEL, SEC. 21, T. 18 S., R. 29 E. EDDY COUNTY, NM	JANUARY 17, 2016

If the well has not been spud but site construction activities have occurred, please contact Jim Amos at (575) 234-5909 for surface reclamation instructions. If drilling operations have commenced send all necessary reports (spud, casing/cementing, etc., 1 original and 3 copies) to the BLM so we may correct our records.

If you wish to drill this well at a later date, please submit a complete application (1 original and 3 copies) to this office. As the original APD has expired, the resubmitted APD will be subject to all processing requirements including the \$9,500 application fee and the 30-day posting period. Please note on the resubmitted APD that it was previously approved, and we will review the expired file for information which will help expedite the processing.

If you have any questions, please contact Duncan Whitlock at (575) 234-5926.

Sincerely,

Stephen J. Caffey
Assistant Field Manager,
Lands & Minerals
