Dear Mr. Arrant:

When drilling the subject well, we do not expect to encounter H2S so a contingency plan is not needed. This letter is being sent to you to satisfy the conditions of approval for said well permit.

If you have any questions, please feel free to contact me at (918) 591-1531 or Brad Hargrove at (918) 591-1939.

Very truly yours,
