RE: Lizard 20 State #1

Mr. Dade:

It has come to my attention that the original Form C-101 that was sent to your office in 7/15/15 for the Lizard 20 State #1 well had an incorrect Ground Level Elevation of 3861' when in fact the elevation is 3809'. To correct this inaccuracy, enclosed will find a revised OCD Form C-101 with the corrected elevation.

If you have any questions or need further information, you can reach me at the numbers listed above or by e-mail at jbarrack@jalapenocorp.com.

Sincerely,

Jun Barrack
