The following condition(s) were found by Bureau of Land Management Inspectors on the date and at the site(s) listed above.

Good Afternoon Sabre,

Jim Amos has looked at the above location and since it's reclamation seems to be stable enough, we are going to recommend the location for release. ZPZ Delaware or yourself (since you are still the operator in our system) can submit the Final Abandonment Notice. This will relieve the operator from any further obligation. If you have any questions or issues do not hesitate to ask.
