LETTER OF VIOLATION - Inactive Well(s)

Dear Operator:

A review of our records and recent inspection(s) indicate that the subject well(s) has been shut-in for an extended period of time. Rule 201 of the Rules and Regulation of the Oil Conservation Division provides that a well may be shut-in no longer than sixty days after suspension of drilling operations, upon determining that the well is no longer usable (e.g., a well or one year after last production. To comply with guidelines as established in the Rules and Regulations, corrective action must be taken immediately and the well(s) brought into compliance.

The detail section below indicates preliminary findings.
