Final Surface Reclamation

OTHER: ☒

13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion. Completed the surface reclamation to the agreement of the surface owner. Separator and all tanks removed from location. All piping, wiring, location fencing and lighting were removed from the location. Tank berms were leveled. Location was graded and released to the landowner and the landowner provided letter that all work was completed to his satisfaction ( see attached letter). At the request of the landowner, no gravel or caliche was removed from the location, and no reseeding was done.
