13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

RKI EXPLORATION AND PRODUCTION, LLC is requesting a temporary tubing exception for this well.

The well is targeting a new formation and is considered a test well for our operations.

We do not want to introduce a new variable of installing tubing right away.

We will install tubing in the next 6 months. The well is currently free-flowing up casing.
