If the proposal is to deepen directionally, or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file will BLM/BIA. Required and the vertical depths of all pertinent markers and zones. Stolking completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandomanen Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection. Fasken Oil and Ranch, Ltd. requests a flare permit for the above well that started on July 17, 2018. Enterprise claims we should be back on by July 23, 2018, but we want to go ahead and request a permit that would be good through the end of the month, July 31, 2018. It will be flaring 60 mcfpd. If 1 hereby certify that the foregoing is true and correct.
