13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

BOPCO, LP respectfully submits this sundry notice to report the reclamation of the referenced plugged and abandoned well location.

Activities from 7/30/18 to 9/29/18 included the following:

- Removed equipment and debris from location
- Removed historically impacted soils surrounding wellhead to approved disposal facility
- Removed clean caliche soils from the former well pad and former lease road
- Removed cattle guard from near former road entrance
- Contoured the native soils to the surrounding landscape
- Re-seeded the site with BLM #2 seed mix
- Replaced existing fence line across former road entrance to prevent traffic disturbance
