

Click Next and finish the install

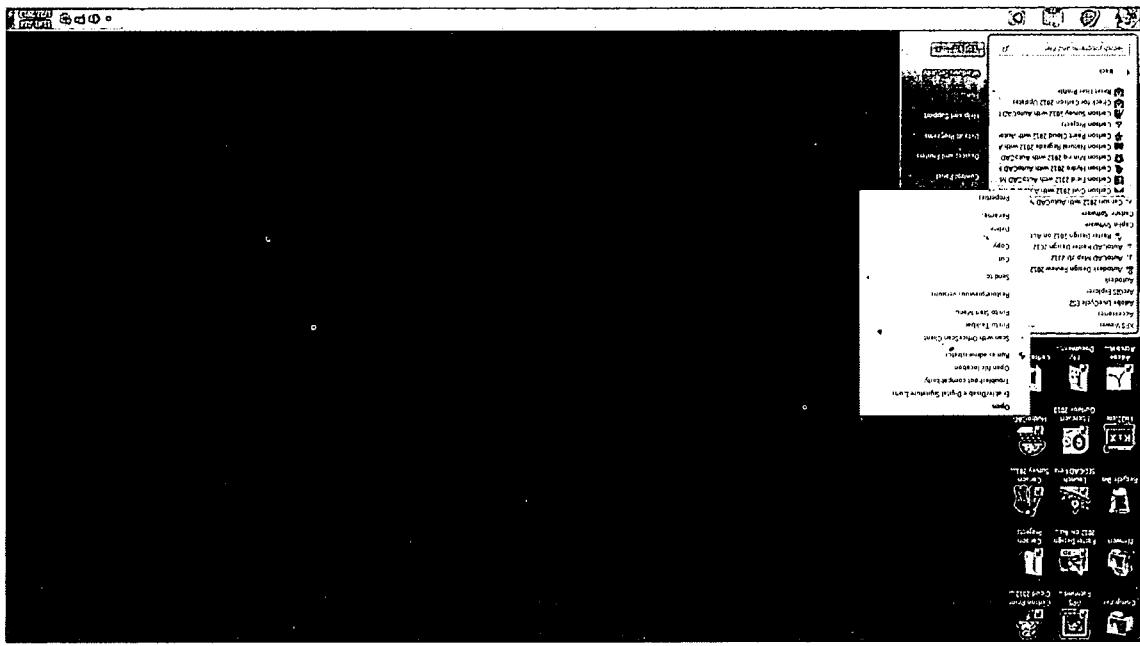

Click General Settings...

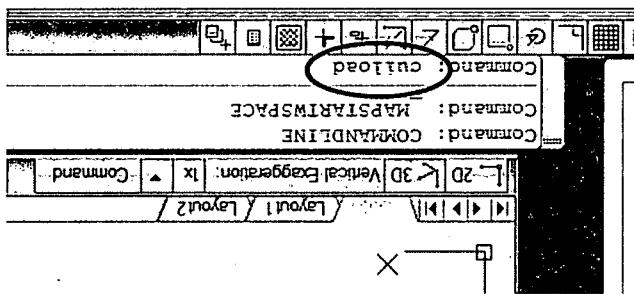

Select the Settings menu and click on Carlson Configuration...  
Set / Verify that Carlson 2012 is set to open to the AutoCAD Map Classic menu.

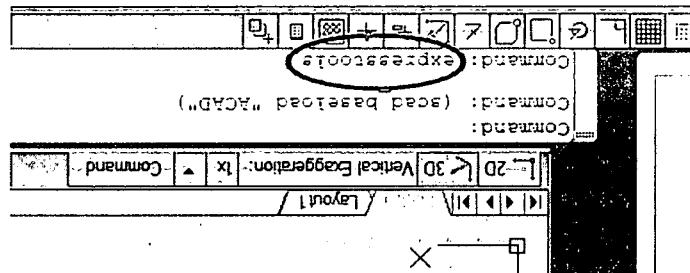

#### 8. Set AutoCAD Map Classic Menu:

Important: Launch Carlson 2012 by right clicking Carlson Civil 2012 and running as Administrator. Run as Administrator even though you may be logged in as Administrator. Verify there are no licensing errors. \*This program involves user profile specific features. Please have the user Run as Administrator the first time they launch the application. If this is not performed, the application may appear to launch and then

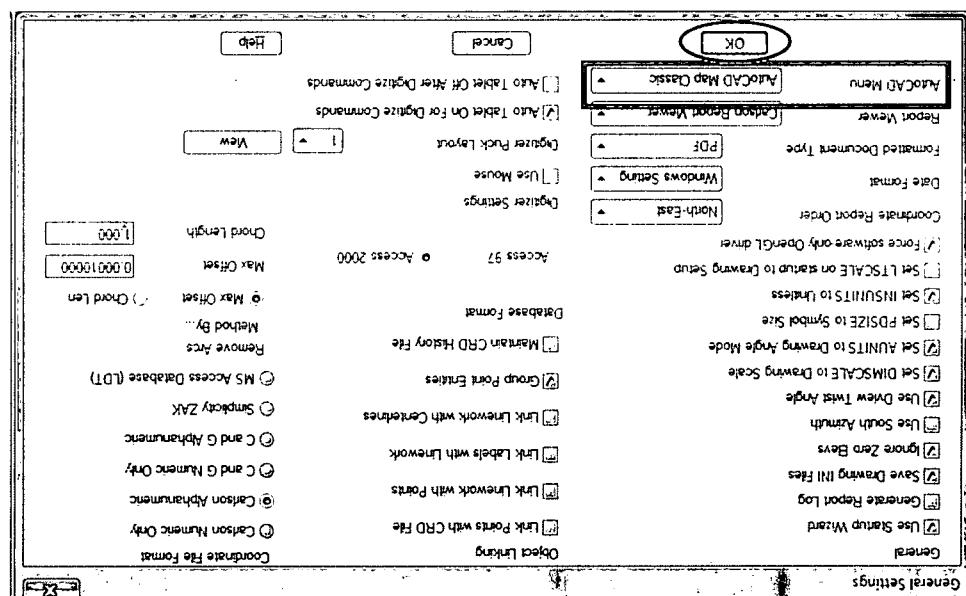

RasterDesign has not been installed, please skip  
Restoration of the Raster menu is necessary only if AutoCAD Raster Design 2012 has been installed. If  
Enter 'RESTORE' or 'RELOAD' on the program command line and press Enter  
10. Raster Menu:

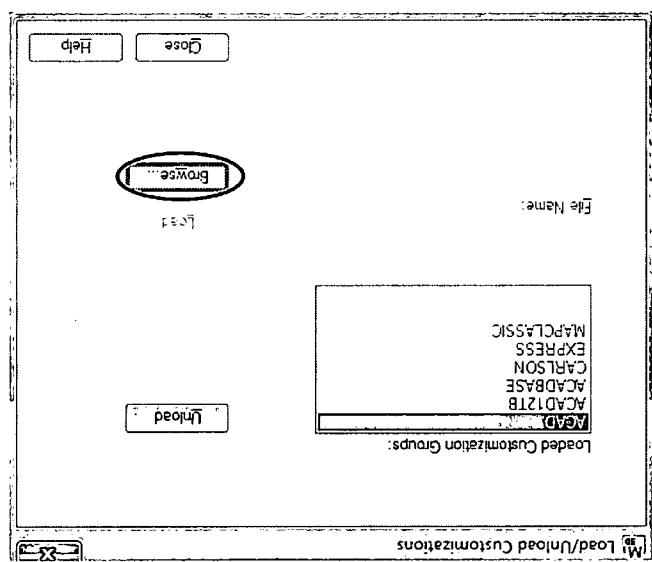

To restore the Express menu, simply enter express tools on the program command line and press Enter  
9. Express Menu:

Click EXIT to close Carlson 2012 configuration.

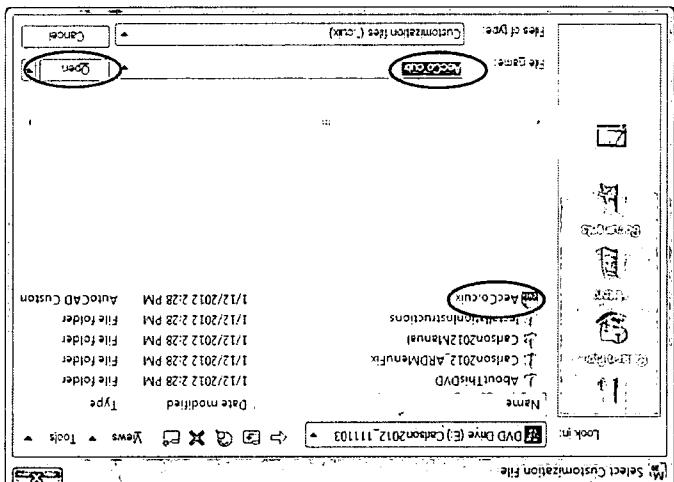

Verify / Select AutoCAD Map Classic as the setting for AutoCAD Menu.  
Click OK to continue.

Use Browse to navigate to the AutoCAD Raster Design 2012 program Support folder (The default path would be C:\Program Files\Autodesk\AutoCAD Raster Design).

2012\USERDATA\cache\Support\AcCo.Cuix)

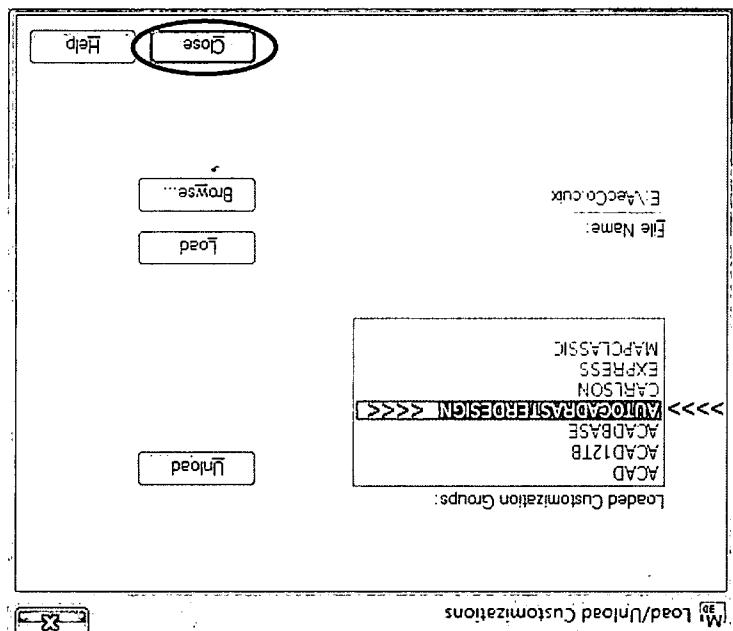

From the DVD root directory, highlight / select the file AcCo.cuix, and click Open.

Note that the path to AcCo.cuix is shown.  
Click Load to complete the menu load.

drawing file).

Go to the File menu dropdown and click Exit to close the program (Click No when prompted to save the

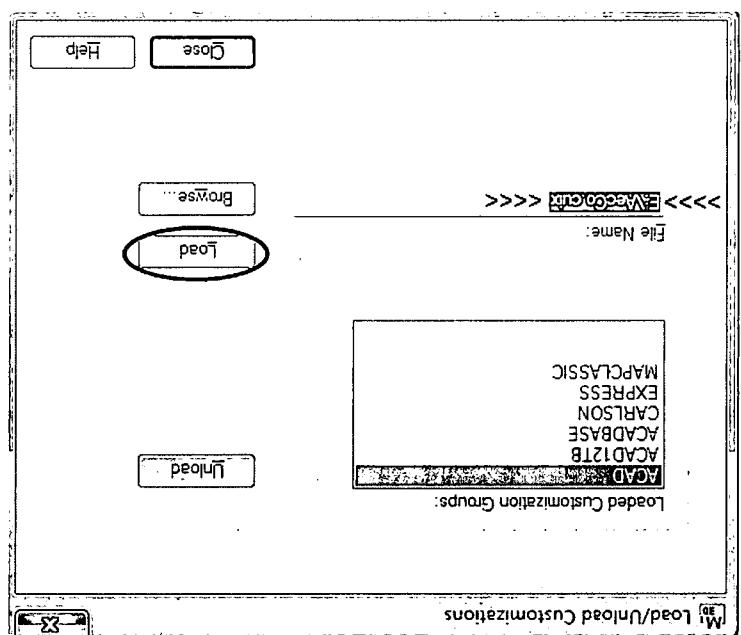

Click Close to exit the cuiload routine.

Note that AUTOCADRASERDESIGN is now included in the list of Loaded Customization Groups.

\*You may get a message the file is already loaded. If so go ahead and exit out of the load/unload

customization screen.

This completes installation and initial setup of Carlson Software 2012.
