Yates Petroleum Corporation wishes to extend the captioned well's APD expiration date for one (1) year to June 3, 2007. Sources at Yates Petroleum Corporation have relayed information to me that there will not be enough H2S found from the surface to the Basement formation to meet the OCD's minimum requirements for the submission of a contingency plan per rule 118. Thank you,

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOC guidelines ☐, a general permit ☒ or an (attached) alternative OCD-approved plan ☐.
