Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Yates Petroleum Corporation wishes to extend the captioned well's APD expiration date for two (2) years to August 17, 2009

Sources at Yates Petroleum Corporation have relayed information to me that they believe there will not be sufficient H2S anticipated from the surface to the Abo formation to meet the OCD's minimum requirements for the submission of a contingency plan per Rule 118.
