Yates Petroleum Corporation wishes to extend the captioned well's APD expiration date for two (2) years to September 27, 2009. (C-144 attached)

Sources at Yates Petroleum Corporation have relayed information to me that they believe there will not be enough H2S anticipated from the surface to the Pre-Cambrian formation to meet the OCD's minimum requirements for the submission of a contingency plan per rule 118.

Thank you.
