Dear Ms. Dale:

Reference is made to Administrative Order No. NSL-5751, issued on January 7, 2008.

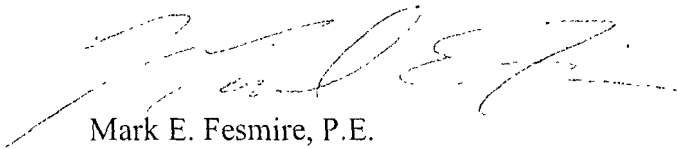

In the referenced administrative order, the subject well is incorrectly called the Grayburg Deep Unit Well No. 17. The correct identification of the well that is the subject of that order is the **Grayburg Deep Unit Well No. 14** (API No. 30-015-29766).

Administrative Order NSL-5751-A is hereby amended to change all references to the subject well to **Grayburg Deep Unit Well No. 14**.

In all other respects, Administrative Order NSL-5751-A shall remain in full force and effect.

Jurisdiction of this case is retained for the entry of such further orders as the Division may deem necessary.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Mark E. Fesmire', with a long horizontal flourish extending to the left.
