Re: Quinoco Sulimar 001 API: 30-005-62537 L-26-15s-29e Eddy County New Mexico

ATTN: I have a field inspector that has reported an ongoing release of produced fluids at the above referenced well site. A call made to the phone number on file did not go through, so I am attempting to contact someone with Raya Energy utilizing a fax number on file.

Please contact me ASAP and make arrangements to repair and stop the leak immediately.
