13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

This is to advise you that effective August 1, 2003, Concho Resources Inc. will assume the role of operator of the referenced well and lease. Bond coverage pursuant to 43 CFR 3104 for lease activities is being provided by Concho Resources Inc. under their State-wise bond, BLM Bond No. RLB0002802. They will be responsible for compliance under the lease terms and conditions for that portion of the lease associated with this notice.
