RE: Legg Federal # 1                      B-27-22-30                      30-015-04734  
Request for pressure increase.

Dear Sir or Madam:

To obtain a pressure limit increase, please send the proper forms and documentation to the O.C.D. office in Santa Fe. ( see rule excerpt below) Unless such a pressure increase is granted by the O.C.D. the maximum surface pressure must remain at or below 765 psi. If well pressure is greater than 765 psi the well must be shut in immediately. If you have questions or need assistance please feel free to call.

## Step-Rate Tests, Notice to the Division, Requests for Injection Pressure Limit Increases

- (1) Whenever an operator shall conduct a step-rate test for the purpose of increasing an authorized injection or disposal well pressure limit, notice of the date and time of such test shall be given in advance to the appropriate Division district office.
- (2) Copies of all injection or disposal well pressure-limit increase applications and supporting documentation shall be submitted to the Division Director and to the appropriate district office.
