3. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Pursuant to letter dated November 26, 2003 from the Roswell BLM the following corrective actions have taken place on the Aciete Federal No. 1. The location and surrounding area have been cleaned of all trash and debris. The anchor and exposed pipeline have not been removed as they are associated with the MM Federal No. 10 well located adjacent to the Aciete well and operated by Chesapeake Operating Inc. The MM Federal No. 10 is an existing producing Abo gas well.

This shall serve as our request for final abandonment of this well.
