Propose to ammend approved APD by omitting the 13-3/8" casing and running the 8'5/8" casing from surface to 1800' or deeper and cementing to surface. Will then reduce the 12-1/4" hole to 7'7/8" and drill to total depth.

Note: Access road has been moved. Access to this well is from the Mesa lease road connecting the Foreman Fed #1 and #2 wells and runs due west to the location. The BLM has been advised of this change.
